Join us for an exciting first session with **Cindi Rigsbee**, 2009 National Teacher of the Year Finalist. Cindi will discuss her book, *Finding Mrs. Warnacke*, written to honor a teacher who made a life-long impact. Cindi was reunited with Mrs. Warnacke, her first grade teacher on the *Good Morning America* show in 2008. Copies of the book will be available for sale and Cindi will autograph at the end of the meeting. Don't miss this opportunity to celebrate teachers with this distinguished literacy teacher.

2012 YOUNG AUTHORS LAUNCH—*The Treasures of North Carolina*. To kick off our Council's participation in the NC Young Author's Project, celebrated author of fourteen books, Carol Crane, will join us to share how she uses historical markers around the country as jumping off points for her informational picture books, such as *T is for Tarheel*.

With over forty years experience in children's literature, Carol also visits schools as an author in residence. Get lots of idea seeds for supporting your students as nonfiction writers by attending this delightful author's session. Carol's books will be available for purchase and autographing.
